

CHIROPRACTIC

MASSAGE HEALTH PROGRAM

Many of our patients do not have health insurance that covers massage therapy. With that in mind, we have created an affordable massage program to help our patients maintain their health with massage they can afford.

For a \$450.00 per year fee, we are offering you 12 half hour massages. You will get a free birthday massage as part of this program in addition to your regular 12 half hour massages each year.

The plan requires a \$50.00 deposit on your first visit and a \$33.33 payment per visit until your balance of \$400.00 is paid in full. The plan does not have to be paid in full before your first visit. The plan expires after a 12 month period of time and cannot be carried forward until the next year. The visits need to be used within 12 months of the date of purchase. The plan may be put on hold due to extraordinary circumstances and must be discussed with the doctor.

- The Massage Health Program may not be used by anyone other than the purchaser**
- 24 hour cancellation is required and appreciated, as our therapist is booked in advance.**

By signing below, I agree to the terms and conditions of this plan and understand my obligation for the Massage Health Program.
